

Internal Board Policies - Board MembersConflict of Interest - Contracts

It shall be the policy of Holdrege Public Schools that any contract whether oral or written, formal or informal, which is entered into by the school district and in which a member of the Board of Education is directly or indirectly interested, is voidable unless certain reporting, disclosure and abstention requirements are met. The school district is authorized to enter into a contract in which a member of the Board of Education is directly or indirectly interested so long as:

1. The Board member makes a declaration on the record regarding the nature of his/her interest prior to official consideration of the contract.
2. The affected Board member does not participate in consideration or discussion of the contract.
3. The Board member does not vote on the granting of the contract except that if the number of members of the Board declaring an interest in the contract would prevent the Board with all members present from securing a quorum in the issue, then all members may vote on the matter.
4. The Board member does not in any way participate in the inspection, operation, administration or performance under the contract on the part of the district.

It shall further be the policy of Holdrege Public Schools that the above provisions apply not only to formal contracts but also to open accounts.
