

Good afternoon Preschool and K-4 HES families!

Teachers have been working on packets to send home to you and cleaning out student lockers. We will have those items available for pick up at scheduled times. We have not rushed to share this information as we wanted to make sure it is up to date as things change daily and hourly.

We will have educational enrichment packets and items from students lockers available to you on Thursday and Friday. At the elementary we are doing this by last names. We are doing this so that families can pick up all of their childrens' things at one time. If you have more than one last name in your family, choose one time for your whole family.

The packet will have work for two weeks. At the end of the two weeks you will return it and get another packet. In the packet there is some guidance for families on the length of time to spend on work. We will give you more instructions on this process later. There are also some possible learning activities that you may choose to do listed as well. You will be able to communicate with your child's teacher by email with any questions on the learning materials.

Here are the following pick up times:

Thursday, March 26, 2020

A-E- Thursday 8:00-10:00 AM

F-J-10:00 AM-12:00 PM

K-O--1:00-3:00 PM

Friday, March 27, 2020

P-T-8:00-10:00 AM

V-Z-10:00 AM-12:00 PM

If none of these times work for your family we will be available both nights (Thursday March 26 and Friday March 27) from 6:00-7:00 PM. Please remember to maintain appropriate personal distance from others.

You will be able to pick up items at the front doors or back doors that meet the commons. Please use this time to return any textbooks or library books to the school.

Thank you for your patience with us as we are trying to communicate with you in a timely manner. We will continue to communicate via our web page, emails, social media, and our messaging system.

Amber Porter, Principal
Holdrege Elementary School
