

Personnel - Certificated EmployeesSubstitute Teachers

Persons employed as substitute teachers shall meet such qualifications as are established by law and the State Department of Education and may be employed for periods of time in the absence of the regular teacher.

Rates of compensation for all substitute teachers will be set by the Board. Substitute teachers will not participate in the health plan or other fringe benefits of the school district.

The Superintendent shall be responsible for recruitment, selection, assignment, orientation and evaluation of substitute teachers.

All arrangements for substitutes must be made through principals of the buildings. Teachers are not allowed to secure the services of any substitute teacher, or to make arrangements for pay thereof. Such matters are strictly within the direction of the Board of Education.

In case of illness, which necessitates a substitute, teachers shall notify the principal of the building as early as possible.
