Fund-raising

All groups desiring to raise money through fund drives in one form or another will present their written requests to the elementary, middle school, special services director and/or secondary principals for their approval. The approval will be based on the following criteria:

- A. Where the funds will be used. Preference will be given to those activities in which usage of tax money would be doubtful or illegal, such as trips and awards of a personal nature. Any drive which seeks or tends to circumvent a Board decision will be rejected. A definite goal for the expenditure of the funds received must be established.
- B. Quality of the product or suitability of the product sold. Items which are overpriced or of an embarrassing or controversial nature to the school will be rejected. Will try to avoid products which are in definite competition to local business people.
- C. The Board will not be responsible for any losses incurred. Principals will need to approve locations and subject matter of all posters posted in the drive.
