## **Nebraska State and MAP Testing**

All Holdrege students in grades 3 through 8 will be taking the Nebraska State tests in reading and math this year as part of the state requirements mandated by the Nebraska Unicameral. These are very important tests that will measure student performance across the state of Nebraska in reading, vocabulary and comprehension, and math skills. The reading tests will be April 10 and 11. The math tests will be April 17-18. All kindergarten through 4th grade students will take MAP and DIBELS tests this spring as well. These tests will be administered from April 23 through May 4.

Teachers have been working with students all year to learn the skills that will be assessed. Please encourage your child to do their best on these tests. It is very important the students get their rest and attend school on these dates.

## **School Closing Information**

When weather is a concern, parents ultimately have the final decision on whether or not to send children to school or to pick them up early. An attempt will be made to have school every scheduled day. If, however, due to inclement weather or if unforeseen circumstances arise, Radio Station KUVR Holdrege and Television Station KHGI Channel 13 Kearney will carry information in relation to the school closing. Information will also be posted at [www.dusters.org](http://www.dusters.org) and automated phone calls will be made.

School may be delayed to allow for additional assessment of weather conditions and/or for snow removal. Announcements will be made if food service (breakfast/lunch) schedules are disrupted. If weather conditions develop during the day that warrants dismissal, the same procedure will be followed. Conditions may exist that children on bus routes will be dismissed and taken home, but school will remain in session.

## **Illness**

Abbie Soneson, our school nurse, reminds all parents that if your child has a fever of 100 or above, flu-like symptoms, vomiting, or diarrhea, he/she needs to stay home from school. Also, if your child has a fever, it needs to be normal without taking Tylenol or ibuprofen (Motrin) for 24 hours before coming back to school. Please consult your Student-Parent Handbook for more detailed information about illnesses and attending school.

## **Exámenes Nebraska and MAP**

Todos los estudiantes de Holdrege entre los grados de 3-8 tomarán la examinación de lectura Estado de Nebraska o Nebraska State este año como parte de los requisitos del estado ordenados por la Unicameral de Nebraska. Este es un exámen muy importante el cual medirá el rendimiento de estudiantes a través del estado de Nebraska en las áreas de vocabulario de lectura y comprensión, y destrezas matemáticas. Exámenes en Lectura serán dados de abril 10 y 11. Exámenes de Matemáticas serán dados de abril 17 y 18. Todos los niños del kínder a cuarto grado tomaran el examen de MAP y DIBELS esta primavera también. Estas pruebas se administrará 23 de abril--4 de mayo.

Los maestros han estado trabajando con los estudiantes el año entero para aprender las destrezas que serán examinadas. Favor de alentar a su niño a hacer lo mejor posible en estos exámenes. **Es muy importante que los estudiantes descansen y asistan a la escuela durante estas fechas.**

## **Información de Cierre de Escuelas**

Cuando el tiempo es de preocupación, los padres ultimadamente toman la decisión final de mandar o no a sus niños a la escuela o de recogerlos temprano. Se hará un atento para tener clases planificadas todos los días. Sin embargo, debido al mal tiempo o si hay circunstancias no previstas que surjan, la Estación de Radio KUVR de Holdrege y la Estación de Televisión KHGI Canal 13 de Kearney tendrán información en relación al cierre de escuelas. La información también estará puesta en [www.dusters.org](http://www.dusters.org) y se harán llamadas de teléfono automáticas.

La escuela podría ser retrasada para permitir el asesoramiento adicional de las condiciones del tiempo y/o para la removida de nieve. Habrán anuncios hechos si el horario del servicio de comidas (desayuno/almuerzo) es cambiado. Si hay condiciones del tiempo que se desarrollan durante el día las cuales requieren la salida de la escuela, se seguirá el mismo procedimiento. Podrían existir condiciones en las cuales lo niños en rutas de autobús serán mandados a la casa, pero la escuela seguirá en sesión.

## **Enfermedad**

Abbie Soneson, nuestra enfermera escolar, le recuerda a todos los padres que si su niño tiene una fiebre de 100 ó más, síntomas de gripe, vómitos o diarrea, tienen que permanecer en casa fuera de la escuela. Además, si su niño tiene una fiebre, debe de permanecer normal por 24 horas sin tomar Tylenol o ibuprofeno (Motrin) antes de regresar a la escuela. Favor de consultar su Manual de Estudiantes-Padres para información más detallada sobre las enfermedades y la asistencia a la escuela.

## **Lost and Found**

We have a large amount of clothing and lunch bags left in the lost and found. Please remember that any item that is not claimed by the end of the year will be donated. If you are missing jackets, coats, hats, snow pants, boots, or lunch bags, please be sure to check the lost and found boxes at your child's school before the end of the school year.

## **Treats at School**

If you send treats to school with your child for a birthday or a class party, please be sure that they are already cut or portioned and ready to serve. We have very limited refrigerator/freezer space and are usually unable to refrigerate or freeze treats. Please keep this in mind when planning your child's treats.

## **Changes??**

Have you had a change to your home phone, cell phone, or workplace? Please be sure to let the school office know so that your information can be updated. It is very important that we have current information so we can reach you if your child becomes sick, there is an emergency, etc.

## **Invitations at School**

In order to distribute birthday or other invitations to classmates at school, a student must have one for each student his/her entire class. The only exception to this is that a student may choose to only invite all classmates of the same sex, e.g., girls can invite all the girls in her class, or boys can invite all the boys in his class. If your child chooses to invite only a few classmates, he/she cannot distribute invitations at school. Please remember that school personnel (teachers, secretaries, etc.) cannot give out phone numbers or addresses of students for this purpose. If a student brings invitations to school and doesn't follow these guidelines, the invitations will be returned to you to distribute them outside of school.

## **Looking for Donations**

If you are going through your child's outgrown or unworn clothing, the Elementary School is in need of pants, especially sweatpants and leggings. If you have some you would like to donate, you can bring them to the Elementary office anytime between 7:15 AM and 4:00 PM on school days.

## **PTO Reminder**

The Elementary PTO reminds all families to save Box Tops and SunMart receipts over the summer. The money raised from collecting these help with purchasing school supplies not covered by the regular budget, activities such as the annual elementary field day snacks, and to purchase a book for each elementary child twice a year.

## Perdido y Encontrado

Comatos con una gran cantidad de ropa y de sacos para almuerzos dejados en el “perdidos y encontrados”. Favor de recordar que cualquier artículo que no sea reclamado al final del año será donado. Si ha perdido chaquetas, abrigos, sombreros, pantalones de nieve, botas o bolsas para almuerzos, asegúrese de investigar las cajas de “perdidos y encontrados” en la escuela de su niño antes de que acabe el año escolar.

## Botana en la Escuela

Si manda botanas a la escuela con su hijo para su cumpleaños o una fiesta de la clase, asegúrese que estén separados en porciones listos para servir. Tenemos espacio limitado y a veces no podemos refrigerar o congelar botanas. Por favor mantén esto en mente cuando estás planeando la botana de su hijo/a.

## ¿¿Cambios??

¿Ha tenido un cambio en su teléfono de la casa, su teléfono celular o del lugar de trabajo? Favor de asegurarse en dejarle saber a la oficina de su niño para que su información pueda ser actualizada. Es muy importante que tengamos su información corriente para poder contactarlo en caso de que su niño se enferme, alguna emergencia, etc.

## Invitaciones en la Escuela

Para poder distribuir invitaciones de cumpleaños y otras celebraciones a compañeros en la escuela, el estudiante deberá de tener una invitación para cada estudiante del salón entero en la escuela. La única excepción será si el estudiante decide invitar a todos los estudiantes del mismo sexo, por ejemplo, las niñas pueden invitar a todas las niñas en su clase o los varones pueden invitar a todos los varones en su clase. Si su niño decide invitar a solo unos cuantos compañeros de clase, no puede distribuir sus invitaciones en la escuela. Favor de recordar que el personal escolar (maestros, secretarias, etc.) no pueden proveer los números de teléfono ni las direcciones para este propósito. Si un estudiante trae invitaciones a la escuela y no sigue estas instrucciones, las invitaciones le serán devueltas para poder repartir fuera de la escuela. Apreciamos su cooperación.

## Buscando Donaciones

Si estas separando la ropa de su hijo/a que ya no les queda, o ropa que no usan, la primaria necesita pantalones, especialmente pantaloneras y mallas. Si tienes algunas que quieras donar, puedes traerlo a la oficina de la primaria entre 7:15 AM y 4:00 PM en dias escolares.

## PTO Reminder

El PTO de la primaria quieren recordarles a todas las familias que guarden “Box Tops” y recibos de Sunmart durante la semana. El dinero recaudado de la colección de estas cosas ayudara con la compra de útiles escolares no cubiertos por el presupuesto regular, actividades como la botana del dia de paseo anualmente de la primaria y para comprarle un libro a cada niño de la primaria dos veces al año.

## Holdrege Public Schools - Safety

Todd Hilyard, Superintendent

Holdrege Public Schools, like other school districts in our area and across the nation, are one of many that have dealt with student threats. We appreciate this opportunity to address the topic of school safety.

Some important points to remember:

- Safety protocols and procedures are largely confidential. This is done purposely to ensure the safety of our students and staff.
- Student information is also protected by FERPA (The Family Educational Rights and Privacy Act of 1974), a federal law that addresses the privacy of student education records. FERPA disallows any discussion in public of students involved in a school-based threat situation.
- Safety is taken seriously at Holdrege Public Schools. Safe schools protocols are reviewed and revised annually. Additionally, the Nebraska Department of Education conducts onsite audits of our district's facilities and safety plans. We also have a great working relationship with our local police department. Communication with local law enforcement is critical in keeping our community as safe as possible. There are three components to the school district's safety and emergency readiness:
  - Culture - We feel that the best thing that we can do to maintain a safe environment for our students and staff is by developing relationships. When students feel valued, respected, and a part of a school community they feel safe and are more likely to communicate other concerns they may hear to adults they have relationships with at school.
  - Protocol - Strategic training, drill schedules, and rapid response procedures for staff and students are in place and shared only on a need-to-know basis.
  - Facilities - Improvements at all district buildings and facilities are addressed by continually updated short and long term facilities goals, which are accomplished either through the general budget or capital improvement projects. Controlled access at the high school is a currently focused priority.

The threat that surfaced recently at Holdrege High School was handled according to the district's safety protocol. Based on a follow-up review of procedures, coordination with law enforcement, communication with parents, students, and patrons, and implementation of available resources, this incident was handled in a commendable, timely, and appropriate manner.

It is the inherent nature of social media to propagate information quickly. Unfortunately, in this type of incident, information is often inaccurate and unverified. One of the most detrimental things that can happen in a school threat situation is for individuals who do not have direct knowledge of the happenings sharing incorrect information as if it were factual. The district attempts to be as transparent as legally possible, and we want nothing more than our concerned parents and patrons to have correct information.

The Holdrege community plays an active part in enhancing our efforts to build relationships with students so that we are all better connected. We are all working toward the same goal to provide a safe and secure educational environment that fosters student success.
