May 2, 2017

Dear Students and Parents,

With the way Mother Nature has been treating us, it seems odd to consider that we're only a couple weeks away from the conclusion of another school year. However, May 17 will soon be here, which means it's time to look back at what has happened at HHS since August. There was joy with state championships and agony with defeats that ended seasons for our sports teams. Our fine arts programs gave us many memories of the beautiful and thought provoking talents that Holdrege students have within them. Books were read and discussed, formulas were used to solve problems and analysis of our world was conducted, all under the watchful eye of a dedicated teaching staff. Some may have memories of grand achievements or significant loss. What is most important though, is being able to look back at what we went through and asking, "What did we learn from these events and encounters? What do we know now that we didn't know before, and how can we put that knowledge to good use?" The answers to these questions are different for each of us, but hopefully, as we reflect on the most recent semesters at Holdrege High School, we will all be able to say it was an experience that helped us to grow and develop into better people.

I want to take this opportunity to congratulate the graduating class of 2018. Although you will continue to face great challenges through the years, remember that you have a "choice" to make each day about your attitude and approach to life. It is this choice that gives you all the "power" you will ever need to be happy and successful. We've had a memorable year at HHS. Good Luck in the future!

Sincerely,
Robert Drews, Principal
Holdrege High School

MAY GUIDANCE NOTES:

ALL STUDENTS

Schedules for the 2018-19 school year have been completed and released for all 8-11 students. Schedule changes for first semester will be allowed until Friday, August 17th.

Be aware that peer tutoring continues to be available as we wind down the school year. I urge everyone to finish strong!

SENIORS

- Honors Night will be held on Monday, May 7, 7:00 p.m. at the Tassel. All seniors are encouraged to be in attendance. Local scholarships will be awarded. Be sure to pay attention to the guidelines for claiming scholarship monies and remember to do that for both semesters.
- Remember to thank the organizations and/or individuals who are awarding scholarships to you by sending thank you notes soon after graduation.
- College bound students are reminded to pay attention to all correspondence from the college or university you will be attending. You don't want to miss important messages regarding new student orientation, housing, financial aid, etc.
- All graduating students are reminded that if the dusters.org email has been your primary email address, you should change that preference with your college and other organizations so that you will continue to receive important messages. We have encouraged you to use another account as you have completed college and scholarship applications since the dusters.org account will be disabled prior to the start of next school year.
- Valuable information for students is posted on the guidance page at www.dusters.org. This includes the Parchment link where students can request transcripts be sent. Seniors will have to request their final high school transcript be sent to their college.
- If you have taken classes for college credit you must request those grades be sent to the college you will be attending in order for them to be included in your college information.
- www.educationquest.org continues to be a source of excellent information for students. Check out the Repayment Calculator to figure out your future loan payments, or check the College Students section for tips on how to be prepared for college.
- Best wishes to all students as you pursue your next phase of life!

JUNIORS

- All juniors participated in statewide ACT testing on April 3. Many students have received their score reports; all scores should be received by the end of the school year.
- Four opportunities remain for you to take another ACT test to count for scholarship consideration: June 9, July 14, September 8, October 27, and December 8. HHS is a testing center for the October and December test dates. Registration deadline for the June ACT is May 4. Register at www.act.org. You can use your registration information to link your account information. If you need help with that, come into the guidance office for help.

- You are encouraged to be actively pursuing options for after graduation. Summer is a good time to visit campuses and help you begin to narrow your college choices. You should have narrowed your choices to four by the beginning of the school year.
- Families of juniors: be aware that the FAFSA (Free Application for Federal Student Aid) will open on October 1, 2018 and you will use your 2017 tax information. This is essential to determine need-based financial aid and is also a component of many scholarship applications.
- Students considering participating in college athletics should register at www.playnaia.org for the NAIA level and www.eligibilitycenter.org for the NCAA level.

HOLDREGE HIGH SCHOOL PLANT SALES

May 5, May 7-9th and May 12th

The Holdrege High School Ag Education Department will be holding their Annual Spring Plant Sales opening on Saturday, May 5th from 9 am-12 pm. It will also be open Monday, May 7th through Wednesday, May 9th from

4-6 p.m with an additional Saturday opening on the 12th from 9 am -12 pm.

Again there will be a large assortment of bedding plants ranging from vegetables to bedding annuals. Vegetables raised by the students include several varieties of tomato, cucumbers, and peppers and broccoli. Annual plants for sale include: a large selection of geraniums, petunias, and assorted greenery. A variety of mixed baskets and large bowls and planters of annuals have been designed for sale. Other items this year include daylily and hosta plants.

All proceeds from the sales go toward maintenance of the school greenhouse and future sales projects. The greenhouse is located north of the High School between the Middle and High Schools. Customers may enter from 14th Avenue by The Tassel and park next to the greenhouse. If you have any questions please contact Jeff Moore, Ag Instructor at Holdrege High School 995-6558 ext. 229 or jeff.moore@dusters.org.

YEARBOOKS! Students who ordered yearbooks can pay Mr. Buck or Mrs. Perry in the school office. If you didn't order a yearbook and would still like to reserve one, see Mr. Buck ASAP.

Holdrege FFA Holds 82nd Annual Banquet

The 82nd Annual Holdrege FFA Chapter Banquet was held on April 15th at the Phelps County Ag Center. The meal was coordinated by Brad and Brenda Johnson with assistance from Chris and Caroline Erickson, Doug and Jill Reed, Cory and Holly Fulmer, Brad and Tami Knuth, and Scott and Angie Marquardt. Over one hundred and sixty-five members and guests attended the banquet. Jessica Rudolph, former Nebraska State FFA Vice-President was the speaker for the evening.

Numerous awards were received by chapter members throughout the evening. The Chapter Star Greenhand Award was presented to freshman Grace Borden. Chapter Advisor, Jeff Moore presented the DeKalb Leadership Award, to seniors Grady Johnson and Malina Lindstrom. The Chapter Star of Ag Placement was earned by senior Hunter Brenn, the recipient of the Chapter Star of Agribusiness was Alex Wells, and Star Chapter Farmer was awarded to senior Grady Johnson.

HPS Begins Using Standard Response Protocol from National Safety Organization

Holdrege Public Schools has begun to use some updated terminology and response plans for safety protocols in our buildings. A national non-profit foundation, called iloveguys.org grew out of a school shooting situation many years ago, and now makes these thoroughly vetted plans and training materials for schools around the country. As the district and each building goes through reviews of our policies and plans, we look for ways to incorporate ideas that are not only sound practice, but that are easy to understand and promote. The SRP from iloveguys.org fits this criteria wonderfully. Students have already seen the materials around HHS and have used the terminology in one of our drills. We will continue to train the staff, students and patrons on our use of the process, and that begins with a handout that will go home with each student before the year is out. A copy of this handout is included in the May HHS Newsletter. Please take some time to discuss this topic with the students in your household, and, as always, call individual buildings when you have questions or concerns.

Holdrege Public School does not discriminate on the basis of race, color, national origin, gender, marital status, disability, or age in admission or access to, or treatment of employment, in its programs and activities. STANDARD™ RESPONSE PROTOCOL

STUDENT SAFETY

A critical ingredient in the safe school recipe is the classroom response to an incident at school. Weather events, fire, accidents, intruders and other threats to student safety are scenarios that are planned and trained for by students, teachers, staff and administration.

SRP

Our school is expanding the safety program to include the Standard Response Protocol (SRP). The SRP is based on these four actions. Lockout, Lockdown, Evacuate and Shelter. In the event of an emergency, the action and appropriate direction will be called on the PA.

LOCKOUT - "Secure the Perimeter"

LOCKDOWN - "Locks, Lights, Out of Sight"

EVACUATE - "To the Announced Location"

SHELTER - "For a Hazard Using a Safety Strategy"

TRAINING

Please take a moment to review these actions. Students and staff will be trained and the school will drill these actions over the course of the school year.

More information can be found at <http://iloveguys.org>

LOCKOUT SECURE THE PERIMETER

Lockout is called when there is a threat or hazard outside of the school building.

STUDENTS:

- Return to inside of building
- Do business as usual

TEACHERS

- Recover students and staff from outside building
- Increased situational awareness
- Do business as usual
- Take roll, account for students

LOCKDOWN LOCKS, LIGHTS, OUT OF SIGHT

Lockdown is called when there is a threat or hazard inside the school building.

STUDENTS:

- Move away from sight
- Maintain silence

TEACHERS:

- Lock classroom door
- Lights out
- Move away from sight
- Maintain silence
- Wait for First Responders to open door
- Take roll, account for students

EVACUATE TO A LOCATION

Evacuate is called to move students and staff from one location to another.

STUDENTS:

- Bring your phone
- Leave your stuff behind
- Form a single file line
- Show your hands
- Be prepared for alternatives during response.

TEACHERS:

- Grab roll sheet if possible
- Lead students to Evacuation Location
- Take roll, account for students

SHELTER FOR A HAZARD USING SAFETY STRATEGY

Shelter is called when the need for personal protection is necessary.

SAMPLE HAZARDS:

- Tornado
- Hazmat

SAMPLE SAFETY STRATEGIES:

- Evacuate to shelter area
- Seal the room

STUDENTS:

- Appropriate hazards and safety strategies

TEACHERS:

- Appropriate hazards and safety strategies
- Take roll, account for students
