May 2018

Dear HHS Alumni and Friends,

Greetings from the Holdrege Public Schools Foundation!

In order to keep you informed about the Foundation's accomplishments and goals we are sending you the attached newsletter. The HPS Foundation Committee has dedicated countless hours to fundraisers, marketing and public awareness efforts, and alumni database updates to carry out our mission to "give back to education".

The Holdrege Public Schools Foundation continues to fulfill its mission to 'give back to education' by making grant opportunities available to teachers who desire to strengthen and enhance educational opportunities for students.

The work we have completed has been rewarding. Our annually awarded grant cycles provide aid in curricular education, educational activities, and student support services. Last summer we hosted our ninth Annual HPS Foundation Golf Tournament during Swedish Days in an effort to raise funds and inform alumni that they can use the Holdrege Public Schools Foundation as a meaningful giving vehicle. This event is a major funding source for giving back through grants to enhance educational opportunities for all students.

Our highly successful alumni recognition features are distributed through Constant Contact and are accessible at www.dusters.org on the HPS Foundation tab. The Foundation has continued to maintain a viable alumni database. We invite you to register at www.dusters.org. Just click on Links tab to access the Duster Alumni page.

We encourage you to support the mission of the Holdrege Public Schools Foundation. Your tax-deductible gift will enhance educational opportunities for students through our grant program and will help support our ongoing database efforts.

We invite you to get connected and stay informed about the Holdrege Public Schools system! Go Dusters!

“Giving Back to Education”

May 2018

Who Are We and What Do We Do?

Education foundations nationwide were created in the late 1970's as public school budgets across the country were significantly reduced. To offset the serious financial crisis in our schools, and to bridge the financial gap between what was needed for our students and state and federal funding, the Holdrege Public Schools Foundation was formed in 1988 with a \$30,000 grant from the Phelps County Community Foundation for the purpose of establishing an endowment. For the past twenty years our community has responded to the district's needs with tremendous support, recognizing that in today's world, private funding is crucial for public education. Our HPS Foundation Committee is comprised of three school board members, two staff members, and five community members who meet monthly and work on various projects throughout the year.

If you would like to make a donation in honor or memory of loved ones, please contact the school or send a check to the Phelps County Community Foundation, HPS Foundation Fund. (See address listed below.)

The Mission of the Holdrege Public Schools Foundation is to support and enhance the educational efforts of students and teachers by providing funding for innovative and challenging programs, learning experiences, and activities.

Join us in our mission!

The Holdrege Public Schools Foundation has created and continually updates an alumni database. Alumni can register on-line at the www.dusters.org. The Foundation's goal is to maintain a viable database that will help Holdrege High School Alumni keep connected and will be a valuable tool for organizing reunions and for communicating with classmates.

Our goal is to continue reaching out to all alumni as the database grows.

We have been using Constant Contact to send newsletters through email and keep alumni abreast of the growth, development, and success of the Holdrege Public Schools system. Watch your email for news, events, and alumni recognition features.

Whether you are a Holdrege Alum, patron, or Duster fan, join us in our mission to enhance educational programs and give back to the students of HPS by playing in the golf tourney or sponsoring a hole or flag prize. Another major fundraising event for the HPS Foundation, Give2Grow, is hosted annually by the Phelps County Community Foundation. Your investment is guaranteed dividends in any economic time. If you have questions or would like to be added to the email list, please register from the Alumni tab at www.dusters.org or call the HPS Central Office at (308) 995-8663.
