NSCAS and MAP Testing

All Holdrege students in grades 3 through 8 will be taking the NSCAS (Nebraska Student-Centered Assessment System) reading and math tests this year as part of the state requirements mandated by the Nebraska Unicameral. These are very important tests that will measure student performance across the state of Nebraska in reading, vocabulary and comprehension, and math skills. NSCAS Reading tests will be the week of March 29-April 2. The NSCAS Math tests will be the week of April 13-16. All kindergarten through 4th grade students will take MAP and DIBELS tests this spring as well. These tests will be administered from April 19-30.

Teachers have been working with students all year to learn the skills that will be assessed. Please encourage your child to do their best on these tests. It is very important the students get their rest and attend school on these dates.

School Closing Information

When weather is a concern, parents ultimately have the final decision on whether or not to send children to school or to pick them up early. An attempt will be made to have school every scheduled day. If, however, due to inclement weather or if unforeseen circumstances arise, Radio Station KUVR Holdrege and Television Station KHGI Channel 13 Kearney will carry information in relation to the school closing. Information will also be posted at www.dusters.org and automated phone calls will be made.

School may be delayed to allow for additional assessment of weather conditions and/or for snow removal. Announcements will be made if food service (breakfast/lunch) schedules are disrupted. If weather conditions develop during the day that warrants dismissal, the same procedure will be followed. Conditions may exist that children on bus routes will be dismissed and taken home, but school will remain in session.

Illness

Please consult the 2020-21 HPS Return to School Plan for guidance on illness and attending school.

Exámenes NSCAS and MAP

Todos los estudiantes de Holdrege entre los grados de 3-8 tomarán la examinación de lectura NSCAS (Nebraska Student-Centered Assessment System) este año como parte de los requisitos del estado ordenados por la Unicameral de Nebraska. Este es un examen muy importante el cual medirá el rendimiento de estudiantes a través del estado de Nebraska en las áreas de vocabulario de lectura y comprensión, y destrezas matemáticas. Exámenes en Lectura de NSCAS serán dados en la semana 29 de marzo -2 de abril. Exámenes de Matemáticas en NSCAS serán dados en la semana de abril 13-16. Todos los niños del kínder a cuarto grado tomaran el examen de MAP y DIBELS esta primavera también. Estas pruebas se administrará 19-30 de abril.

Los maestros han estado trabajando con los estudiantes el año entero para aprender las destrezas que serán examinadas. Favor de alentar a su niño a hacer lo mejor posible en estos exámenes. **Es muy importante que los estudiantes descansen y asistan a la escuela durante estas fechas.**

Información de Cierre de Escuelas

Cuando el tiempo es de preocupación, los padres ultimadamente toman la decisión final de mandar o no a sus niños a la escuela o de recogerlos temprano. Se hará un intento para tener clases planificadas todos los días. Sin embargo, debido al mal tiempo o si hay circunstancias no previstas que surjan, la Estación de Radio KUVR de Holdrege y la Estación de Televisión KHGI Canal 13 de Kearney tendrán información en relación al cierre de escuelas. La información también estará puesta en www.dusters.org y se harán llamadas de teléfono automáticas.

La escuela podría ser retrasada para permitir el asesoramiento adicional de las condiciones del tiempo y/o para la removida de nieve. Habrán anuncios hechos si el horario del servicio de comidas (desayuno/almuerzo) es cambiado. Si hay condiciones del tiempo que se desarrollan durante el día las cuales requieren la salida de la escuela, se seguirá el mismo procedimiento. Podrían existir condiciones en las cuales los niños en rutas de autobús serán mandados a la casa, pero la escuela seguirá en sesión.

Enfermedad

Consulte el Plan de regreso a la escuela de HPS 2020-21 para obtener orientación sobre enfermedades y asistencia a la escuela.

You can also download the Box Tops app for your phone, select Holdrege Elementary School as your recipient, and scan your receipts with Box Tops eligible items. Please encourage your family and friends to help us out too. También puede descargar la aplicación Box Tops para su teléfono, seleccionar Holdrege Elementary School como su destinatario y escanear sus recibos con los artículos elegibles de Box Tops. GLOBAL FAMILY RESEARCH PROJECT

How Families Promote **EARLY LITERACY**

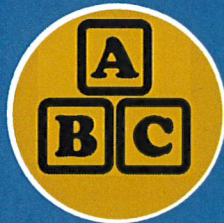

Positive early literacy experiences set children on a pathway to become confident readers by the time they reach third grade, which is an important milestone on the pathway toward high school graduation.

Research shows that when families...

Have ongoing and engaging conversations with their child

Create literacy-friendly environments

Make reading enjoyable

Hold high expectations for their child's learning

Communicate with their child's teacher

Use home languages

...children develop
strong language
and literacy
competencies.

GLOBAL FAMILY RESEARCH PROJECT

Cómo las familias

PROMUEVEN EL APRENDIZAJE DE LENGUAJE EN SUS HIJOS DE TEMPRANA EDAD

Las experiencias positivas del aprendizaje lingüístico de temprana edad establecen los niños en un camino para llegar a ser lectores seguros cuando llegan al tercer grado, lo cual es clave e importante en el camino hacia la graduación de la escuela secundaria.

Los estudios demuestran
que cuando las familias...

Tienen conversaciones
continuas e interesantes
con sus hijos

Crean un ambiente
positivo para el
aprendizaje de lenguaje

Hacen la lectura
divertida

Tienen expectativas altas para
el aprendizaje de sus hijos

Se comunican con el
maestro de sus hijos

Utilizan sus idiomas
principales

Visitan la biblioteca
