

InstructionClassroom Environment

At all times, teachers are expected to organize, maintain and ensure that their classroom is in a safe, orderly, and clean condition for student learning. Classrooms should be free from distractions (such as inappropriate or unprofessional posters or other displays) and other apparatus that may cause student health problems (such as essential oils and/or essential oil diffusers). Teachers who are uncertain as to whether their classroom meets this requirement are encouraged to consult with their building principal in a proactive manner.

Staff members may not hang posters, flags, banners, or other displays in the classroom that are (1) unrelated to the curriculum and (2) may otherwise result in a disruption to the learning environment. Any staff member who is uncertain as to whether a particular display is permitted in the classroom should consult with their building principal in a proactive manner.
