

InstructionCurriculum Review Cycle

## Continuous Curriculum Improvement Process

The Superintendent and administration shall annually update and distribute to the certificated staff the continuous curriculum improvement process addressing all curricular areas in the following phases:

1. Research and Recommend Purchases
2. Implementation of New Materials, Training, and Professional Development
3. Review/Revise Curriculum Guide
4. Educational Resources/Materials Evaluation
5. Implementation of Curriculum Revisions, Professional Development, and Inservice

## Curriculum Committees

The Superintendent and administration shall annually update and distribute a list of certificated staff assignments to curriculum area committees. These committees participate in the continuous curriculum improvement process.

Date of Adoption: 11/15/2005

Revised: 09/16/2013; 9/18/2023
